→ **COST TU1404 members** (Please note that you need to be personally invited from the TU1404 COST Action).

→ **COST SARCOS members** (Please note that you need to be a member of SARCOS and participant of SARCOS special session to be eligible for the SARCOS fee.)

A paper can only be accepted for publication in the proceedings if one of the authors is registered. A registration entitles the author to a maximum of 2 approved published papers, provided that one is communicated as oral presentation and the other presented in a special presentation/poster session.

Accompanying person's fees includes the participation in the Welcome Cocktail and Conference Dinner.

→ (*) FIB/RILEM/JCI/ACI Members must send a copy of a valid certificate together with the registration form.

→ (**) The students must send a copy of a valid student card or an institutional certification (MSc and PhD students are valid) together with the registration form. The participation in the Conference Dinner is only possible by paying an additional fee similar to that listed for COST TU1404 members under the same conditions.

(***) COST TU1404 (and SARCOS) members are not charged with registration fees. The basic fee mentioned is related to coffee breaks and lunches, as the COST support is not enough to cover such expenses at the Venue. The basic fee allows access to all the commodities of a full registration, except for the Conference Dinner and the hard copy of the proceedings. Even though this basic fee cannot be faced as mandatory, lack of compliance to this basic fee would cause extreme strain on the organization. For more information, please contact info@tu1404.eu

Post conference tour: 40€

The fee for post conference tour includes bus transportation during the entire day on 27th October 2018, starting at 9h00m and ending at 19h00m. Bus with air conditioning, and guide (english-speaking) through the entire span of the visit.
